## About The Leading Hotels of the World

Comprised of more than 400 hotels in over 80 countries, The Leading Hotels of the World (LHW) is the largest collection of independent luxury hotels. In 1928, 38 independent hoteliers came together to create LHW. Since then, the Company has carefully curated distinctive hotels, resorts, inns, chalets, villas, and safari camps from the snow-capped Alps of Europe to the African veldt, to share them with adventurous souls who seek the remarkably uncommon.

The LHW community is filled of exceptional individuals, united by a passion for the surprising discoveries and details that come with every experience. LHW hoteliers are artisans of hospitality whose expertise, commitment to excellence, and individual flair allows them to create story-worthy moments for their guests. And it is these authentic, individualized experiences combined with the warm hospitality and high-touch service they provide that keeps discerning travelers returning again and again.

LHW's collection covers the globe and promises a broad range of destinations and uncommon experiences, enhanced by LHW's tiered guest loyalty program Leaders Club. From converted former palaces, and countryside retreats run by the same families for generations, to gleaming skyscrapers in dynamic urban centers, serene private island escapes, glamorous tented camps – and beyond – explore, find inspiration, and experience unforgettable travel moments.
